Subject: CMLTA Call for Nominations to Council

MLTs: Ready to Step Up to a New Challenge?

Have you ever thought about taking a bigger role in your profession?

Serving on the **CMLTA Council** gives you the opportunity to:

- Get an inside look at the regulatory work of your College
- Build and strengthen your leadership skills
- Help protect the public through competent and ethical practice
- Take on a meaningful new challenge
- Play a direct role in governing the medical laboratory technology profession

Now's your chance. MLTs are invited to put their skills and experience to work by volunteering for the CMLTA Council for the 2027–2029 term. Submit a [Call for Nominations](#) form by **June 4, 2026**.

No prior governance experience is required—training will be provided.

Make an impact. Grow as a leader. Help shape the future of your profession.
