Subject: Join Us This September: Renewal & Continuing Competence Program (CCP) Information Session

Did you know that 58% of MLTs' CCP submissions required corrections or additional information to meet program requirements during the 2024/2025 CCP Audit Cycle?

Want to learn how to meet program requirements and avoid any corrections or requests for additional information if selected for the next CCP Cycle Audit?
The CMLTA invites you to attend an informative presentation:

Registration Renewal and the Continuing Competence Program (CCP) Webinar

This session will provide an overview of renewal requirements, key deadlines, and CCP expectations to help ensure you are prepared for the upcoming registration year. Whether you are new to the profession or looking for a refresher, this presentation is a great opportunity to enhance your understanding and have your questions answered.

Topics will include:

- Annual registration renewal requirements
- Important renewal timelines and deadlines
- Continuing Competence Program (CCP) requirements
- Common renewal and CCP questions
- Resources and supports available to registrants

Choose the Session That Works Best for You

We encourage all registrants to attend and take advantage of this opportunity to learn more about maintaining regulatory compliance and supporting your ongoing professional development.

We acknowledge that the land on which the CMLTA office is located is Treaty 6 territory and a traditional meeting ground for many Indigenous people. This is home to the Cree, Blackfoot, and Metis, as it is for the Nakoda, Tsuu T'ina, Chipewyan, and other Indigenous people. Their spiritual and practical relationships to the land create a rich heritage for our life as a community.
